AMERICAN SOCIETY OF CIVIL ENGINEERS

Dear Members of the ASCE Eastern Great Lakes Region,

This is your **2023 ASCE Eastern Great Lakes Student Symposium Mailer III**, the last of three packets to be sent to each of the participating ASCE Student Chapters in our Student Conference. In addition, you can find information on the schedule, competitions, hotel bookings, registration, and location addresses on our student symposium website.

Please carefully read through this packet and forward copies to the appropriate members in your student chapter (team captains, individual team members, etc.). Do not delete this mailer as information given within may not be in earlier mailers. Enclosed you will find the following information:

- Receipt confirmation,
- Liability waiver and information
- Maps, directions, parking information, and venues
- Non-competition event information,
- Presentations, technology, and symposium group chat,
- Safety-first culture information,
- Final student symposium schedule,
- Final presentations schedules,
- ASCE Pop-up Leadership Workshops information,
- ASCE competition eligibility requirements,
- Student Symposium Paper Competition information and,

Receipt of this mailer should be confirmed by Wednesday, March 29th, 2023. Please note the individual registration deadline was March 1st, 2023.

If you have any questions, feel free to contact us at the e-mail address: asce.eglc@gmail.com. Additionally, feel free to follow our WSU ASCE Student Chapter Instagram at @wsu_asce, if your chapter does not already. We have also created a WhatsApp group chat for student leaders and captains to connect with us throughout the three days.

We look forward to welcoming your student chapter to the 2023 ASCE EGL Student Symposium!

See you in Detroit!

Ebby Alhakam
President, ASCE WSU Student Chapter
Co-Chair, 2023 EGL Student Symposium

Safety-First Culture Information

This year ASCE and Wayne State University are encouraging a Safety-First Culture during the symposium. We encourage all symposium participants to embrace this concept by thinking about safety in their activities coming to, returning from, and while at our symposium. We want **every** symposium participant to return home safe and healthy.

To generate a Safety-First Culture, we have designated Jana Deaibes as our symposium safety officer. Further, be on the lookout for safety information at the symposium, such as the location of first-aid supplies, who in the crowd has first-aid training, and Safety Moments.

What is a Safety Moment? A Safety Moment consists of a quick discussion on an activity-specific, site-specific, or general safety topic. The Safety Moment may be presented by the leader of an activity, the symposium safety officer, or a member of the host symposium planning team. We ask that all participants give their undivided attention to the Safety Moment discussion and embrace the safety-first concept.

If an injury does occur during the symposium, it should be reported to the competition head judge, symposium safety officer, or activity leader immediately so that appropriate action can be taken based on the injury. If it is a true emergency, please call WSUPD* for Wayne State emergencies or 911 in all other areas.

Contact information for the symposium safety officer and key host school representatives are listed below. Please keep this list close during the symposium and we encourage you to program the symposium safety officer's phone number into your cell phone.

In the spirit of a Safety Moment, here are some safe driving habits to keep in mind as you travel to the student symposium:

- Driving at the speed limit has proven to save lives.
- Do not drive when tired. Swap out drivers often.
- Minimum of two people awake at all times when wheels are rolling.
- Be aware of how larger/heavier vehicles behave when stopping or turning.
- Be aware of your surroundings when backing any vehicle, especially trailers. Better yet, avoid backing up at all, if possible.
- Use a spotter to watch when you must backup a vehicle.
- Slow down when the conditions warrant (rain, snow, darkness, pedestrians nearby).
- Perform a circle of safety around your vehicle to identify what is in your blind spots.

We hope **everyone** has a fun, healthy, and safe time at the ASCE Eastern Great Lakes Student Symposium.

ASCE Competition Eligibility Requirements

Competitions that advance to an ASCE Society-wide Competitions Finals include: ***ASCE Concrete Canoe Competition, ASCE Innovation Contest, ASCE Sustainable Solutions Competition, and ASCE UESI Surveying Competition.***
The AISC/ASCE Student Steel Bridge Competition advances to the SSBC National Finals and follows the eligibility requirements below. See SSBC Rules for more information.

Invitations to Student Symposia and ASCE Student Civil Engineering Championships/Society-wide Competition Finals are a privilege, not a right. Failure to act professionally can result in letters of reprimand, mandatory behavior management plans, and loss of invitations to further competition for individual institutions and/or entire conferences.

Eligibility for Student Symposium Competition

The following qualifications are required of all ASCE Student Chapters to compete at the Student Symposia Competitions:

An ASCE Student Chapter must:

1. Be in good standing with ASCE:
   a. Have paid their annual dues, as received by ASCE, **no later than February 1, 11:59 p.m. EST**
   b. Have submitted their student chapter's full Annual Report or EZ Annual Reporting Form **no later than February 1, 11:59 p.m. EST**

   a. Have paid their annual dues, as received by ASCE, **no later than February 1, 11:59 p.m. EST**
   b. Have submitted their student chapter's **full Annual Report**, **no later than February 1, 11:59 p.m. EST** and have received a minimum score of 40 points out of a possible 100. **Student Chapters that submit an EZ annual reporting form do not qualify** to advance on to competition finals; and

2. Attend and participate in their assigned Student Symposium as shown through their school's:
   a. On-time attendance and active participation by a member of the ASCE Student Chapter at the Student Symposium Business Meeting
   b. Participation in the Student Symposium Paper Competition, including submission and presentation by a member of the ASCE Student Chapter. Note that any papers/presentations created for any other competition do not count as an entry into the Student Symposium Paper Competition.

Questions regarding eligibility should be directed to student@asce.org.

Competition Rules and Contacts

Society-wide competition rules can be found at:
https://www.asce.org/communities/student-members/conferences/rules.

Student Chapter Resources Needed for Society Competitions and Events

Please visit ASCE Society-wide Competition Rules & Regulations to view the *"2023 ASCE Student Symposium Society Competitions and Events - Student Chapter Resources Table"*. This resource table outlines student chapter resources and time needed to compete in each of the Society-wide competitions, pilot competitions, and events. (Note that this is guidance and estimates. Student chapters should use their judgment and take their specific circumstances into account when planning and preparing for competitions.)

Local Competition Rules:

- Student Symposium Paper Competition (Participation is a requirement for advancement to Society-wide competition finals and SSBC National Finals.)
    - Presentations shall consist of 5-minutes of presenting, 8-minutes of Q&A, 2-minutes of set-up and teardown.
    - Student presenters are welcome and encouraged to create a PowerPoint/slide deck that represents the information listed in their submitted papers.

- Concrete Novelty: Rules can be found in Mailer 2 and on the student symposium website.
    - People's Choice Voting: Attendees will receive one ticket to vote for their favorite flower pot. Students who took part in the in the competition may NOT vote for their own school, however, other students from the same school MAY vote for their own school.
    - QR codes will be placed around the EDC lobby for the voting forms.

This concludes Mailer 3 for the 2023 EGLC Student Symposium.
