

QUIZ BOWL

It's time to quiz your engineering knowledge! Chapters will select between 2-4 members to complete FE exam style questions. There will be 1 round of Jeopardy and the 3 highest scoring teams will move onto the final round. Each team will select a topic with its corresponding value, but all chapters have a chance to answer and win the points.

Note: After 3 wrong answers, teams will start to lose points

Tiebreaker: In-case of a tie, a fair method of determining the outcome (ex. A coin flip) will decide the outcome.

Round 1: Jeopardy

Round 2: Final Round
