

2025 ASCE Student Symposium

Thursday, April 10, 2025 – Saturday, April 12, 2025

Freshmore Competition

- Eligible students must be in their freshman or sophomore year (1st or 2nd year).
- Teams are comprised of 2-6 students
- Students will compete in a series of timed activities. For each activity, the fastest team will receive 1 point, the second fastest team will receive 2 points, etc.... After all activities are scored, the team with the lowest overall score will be the winner. In the event of a tie, the total time for all activities will be used to determine the winning team.
