

2025 ASCE Student Symposium

Thursday, April 10, 2025 – Saturday, April 12, 2025

Quiz Bowl

Each team will select between 2-4 members to compete in a competition with FE exam style questions. There will be two rounds of Jeopardy (each with half of the total competing teams) and the highest scoring team from each Jeopardy round will move onto the final round. Teams will rotate selecting a topic and a corresponding value, but all chapters have a chance to answer and win the points. The final jeopardy round will consist of 3 questions.

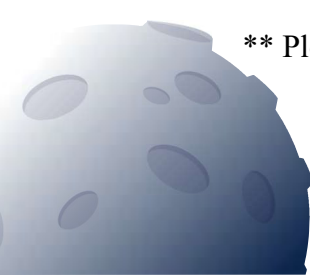

Note: After 3 wrong answers, teams will start to lose points

Tiebreaker: Any ties after either round will result in a tiebreaker question(s). Multiple questions will be available if required.

Round 1: Jeopardy Round 1 (half of teams drawn randomly)

Round 2: Jeopardy Round 2 (remaining half of teams)

Round 3: Final Jeopardy Round (top team from each Jeopardy Round)
