Why I want to be a Civil Engineer – Video Competition

ASCE Student Chapter are encouraged to create a 3-minute video which answers the question: Why do you want to be a Civil Engineer? The target audience for these videos are middle school students (Grade 6-8) and should aim to *inspire* the next generation of civil engineering students and practicing civil engineers. Make a video that will go viral! Videos should be submitted to ascesympoium@clmson.edu by March 21, 2025.

Judging:

Judging will be performed by sending the videos to middle schools across North Carolina and South Carolina. Each school will rank the videos from all competing schools. The team with the best average finish will be declared the winner. In the event of a tie, the team with the most 1st place finishes will be declared the winner.

** Please submit any questions regarding these rules to: ascesympoium@clmson.edu **
