

Final Symposium Information
2025 ASCE Carolinas Student Symposium
Hosted by Clemson University
April 10 – April 12, 2025

March 14, 2025

Dear ASCE Student Chapter of the ASCE Carolinas Student Conference:

This is your **2025 ASCE Carolinas Student Symposium**, the last of three informational packets to be sent to each of the participating ASCE Student Chapters in our Student Conference.

Please carefully read this information and forward copies to the appropriate members in your ASCE Student Chapter and team members for each team competing at the student symposium. Do not delete this mailer as information given within may not be repeated in subsequent mailers. Enclosed you will find the following information:

- Mailer 3 Confirmation and registration reminders,
- Safety-first culture information,
- Competition safety information,
- Business Meeting information,
- Maps, directions, and parking information,
- Non-competition event information,
- Competition presentation and display information,
- Social network information,
- Final student symposium schedule,
- Final presentation schedules,
- Final deadlines,
- Society and local competition information,
- ASCE Pop-Up Leadership Workshop information,
- Student Symposium Paper Competition information,
- ASCE Society Competition eligibility requirements,
- Sponsor recognition,
- Hotel information, and
- ASCE Civil Engineering Student Championships T-Shirt collection request.

*Receipt of this mailer should be confirmed by completing the Mailer 3 Acknowledgment Form by March 28, 2025.
Please note the individual registration deadline is March 28, 2025.*

If you have any questions, feel free to contact us at our general student symposium e-mail address, listed below. All symposium information such as events, mailers, policies, rules, etc. will be posted on our website and are also listed below.

We look forward to your participation in the 2025 ASCE Carolinas Student Symposium and providing an opportunity to engage with other student chapters and ASCE Region Leadership.

Sincerely,

George Spence
President, ASCE Student Chapter

Mailer 3 Receipt Confirmation & Registration

STEP 1 - Mailer 3 Receipt Confirmation - *required*

Follow the link below to complete the Mailer 3 Receipt Confirmation due no later than March 28, 2025.

Mailer 3 Receipt Confirmation Link – <https://forms.office.com/r/jVBPMb0KS1>

REGISTRATION REMINDERS

STEP 2 - Individual Registration Form - *required*

Individual Registration Form is due before March 28.

Please visit our symposium website at [Individual Registration - Welcome to the Carolinas](#) to register for the 2025 ASCE Carolinas Student Symposium.

The Individual Registration Form must be filled out by *ALL individuals* attending the symposium including chapter members, team competitors, chapter spectators, guest teams, faculty advisors, volunteers, judges, and ASCE Region Leadership. The Individual Registration Form contains liability waiver information required by ASCE that must be reviewed and acknowledged by every individual attending, participating, and/or spectating at the symposium.

STEP 3 - Individual Registration Payment – *required for students, faculty, and staff*

Individual Registration is \$100 per person. Registration form and payment are due by March 28.

Option 1: <https://scltap.org/asce/>

Option 2:

Make checks payable to Clemson University:
Attn: Michael Stoner
306 S Palmetto Blvd
Clemson, SC 29634

If your chapter will NOT be participating in the 2025 ASCE Carolinas Student Symposium, please email acesymposium@clemson.edu

Safety-First Culture Information

ASCE and Clemson University are encouraging a Safety-First Culture during the student symposium. We encourage all symposium participants to embrace this concept by thinking about safety in their activities coming to, returning from, and while at our symposium. We want **every** symposium participant to return home safe and healthy.

To generate a Safety-First Culture, we have designated Scott Black and Caleb Jackson as our symposium safety officers. Further, be on the lookout for safety information at the symposium, such as the location of first-aid supplies, who in the crowd has first-aid training and Safety Moments.

What is a Safety Moment? A Safety Moment consists of a quick discussion on an activity-specific, site-specific, or general safety topic. The Safety Moment may be presented by the leader of an activity, the symposium safety officer, or a member of the host symposium planning team. We ask that all participants give their undivided attention to the Safety Moment discussion and embrace the safety-first concept.

If an injury does occur during the symposium, it should be reported to the competition head judge, symposium safety officer, or activity leader immediately so that appropriate action can be taken based on the injury. If it is a true emergency, please call 911 first.

Contact information for the symposium safety officer and key host school representatives is listed below. Please keep this list close during the symposium and we encourage you to program the symposium safety officer's phone number into your cell phone.

Symposium Safety Officer(s)

Scott Black – 864-710-1174

Caleb Jackson – 864-888-7891

Host School Faculty Advisor(s)

Michael Stoner – 803-226-5434

As a best practice, we strongly recommend that faculty advisors keep and maintain on-hand a list of emergency contact information for their university and participating students. ASCE and the student symposium host do not collect emergency contact information from registrants.

In the spirit of a Safety Moment, here are some safe driving habits to keep in mind as you travel to the student symposium:

- Driving at the speed limit has proven to save lives.
- Do not drive when tired. Swap drivers often.
- Minimum of two people awake at all times when wheels are rolling.
- Be aware of how larger/heavier vehicles behave when stopping or turning.
- Be aware of your surroundings when backing up any vehicle, especially trailers. Better yet, avoid backing up at all, if possible.
- Use a spotter to watch when you must back up a vehicle.
- Slow down when the conditions warrant (rain, snow, darkness, pedestrians nearby).
- Perform a circle of safety around your vehicle to identify what is in your blind spots.

Competition Safety Information

Please see the competition rules for full details. If there is a discrepancy between the rules and the information listed below, the competition rules are to be followed.

ASCE Concrete Canoe Competition: Safety gear (closed-toe water shoes and Personal Floatation Device (life jacket)) for each paddler is the responsibility of each team. ([Exhibit 9: Race Regulations & Safety](#))

AISC ASCE Student Steel Bridge Competition: Personal protective equipment is the responsibility of each team. During all construction activities, builders must wear hard hats and protective eyewear or safety goggles ([Section 10.1.6](#)). During all loading activities, competitors must wear hard hats, protective eyewear or safety goggles, work gloves, and steel toe or composite work boots that extend above the ankle ([Section 11.2.1.3](#)). The hardhats must meet ANSI standard Z89.1, and the protective eyewear or safety goggles must meet ANSI standard Z87.1

Surveying Competition: Team members are responsible for providing their own required safety equipment including closed-toe shoes and safety-colored shirts or vests to participate in the field tasks. ([Section 6: Safety](#))

Timber-Strong Design Build Competition: [Section 5.4.3 Safety Gear](#) – Each team is responsible for bringing their own tools, safety gear, and personal protective equipment (PPE) including but not limited to construction hard hats, safety glasses, gloves (tips of gloves may not be cut off), closed-toed shoes, long pants, and safety vests or high-visibility shirts. Long hair needs to be tied back at the construction site. Please see [Section 5.4.3 Safety Gear](#) for information on power tools.

ASCE 3D Printing Competition: Teams are responsible for providing their own eye protection, work gloves, and closed-toe shoes, which must be worn by all active participants handling the bridge and during loading and testing. [Section 5: Safety](#)

Geotechnical Competition: Teams are responsible for closed-toe shoes, which must be worn by all active participants throughout the duration of the competition.

Concrete Bat Competition: Teams are responsible for closed-toe shoes, which must be worn by all active participants throughout the duration of the competition.

2025 ASCE Carolinas Student Symposium
Hosted by Clemson University
April 10 – April 12, 2025

Business Meeting ([Eligibility Requirement](#))

The Business Meeting is scheduled to take place on Thursday, April 10, 2025, at 6:30 PM.

The draft business meeting agenda is in attachment to Mailer 3. If you have additional agenda items and/or motions that your student chapter would like to be included in the agenda, please submit them to ascesympoium@clemson.edu by March 28th.

Note that the business meeting is officially the business meeting for the Student Conference Board of Delegates. The Board of Delegates consists of two student delegates (preferably a senior or junior in an ASCE leadership position and a sophomore in or aspiring to an ASCE leadership position) and the faculty advisor from each student chapter. Each student delegate must be a member in good standing with their student chapter and the Society. Each student chapter in the Student Conference has one vote.

At least one member of your ASCE student chapter must participate in the Business Meeting as part of the eligibility requirements to advance to finals for Concrete Canoe, Steel Bridge, Sustainable Solutions, and Surveying.

Business Meeting: April 10, 2025, at 6:30pm. By invitation only, see page 5.

ASCE Pop-Up Leadership Workshops: Three ASCE Pop-Up Leadership Workshops will be held on Saturday, April 12 (topics below).

ASCE Workshop 1 – 9-10AM: The FE Exam and the Path to the PE

ASCE Workshop 2 – 10:30-11:30AM: What Would You Do? Ethics & Professional Conduct

ASCE Workshop 3 – 1-2PM: What is Your Personality Type? Understanding Each Other

Concrete Canoe Races and Outdoor Activities on Friday: The competitions hosted on Friday will primarily take place outdoors. Please bring blankets and camp chairs so that you can have a seat while enjoying the outdoor competitions.

Competition Presentation & Display Information

All Competitions: Each student team that presents is required to bring their digital presentation on a USB. The host will provide laptop, clicker, and projector equipment. For competitions requiring WiFi capabilities, internet is provided through eduroam or a wireless hotspot. Guest access can be provided for schools that do not use eduroam.

Please see the competition rules for full details. If there is a discrepancy between the rules and the information listed below, the competition rules are to be followed.

ASCE Concrete Canoe Competition: Teams are responsible for providing all necessary materials for the display portion of the competition. ([Section 7: Prototype Display Requirements](#)). Teams should bring presentations on a thumb drive for the technical presentation ([Section 8: Technical Presentation](#)).

AISC ASCE Student Steel Bridge Competition: Teams are responsible for providing all necessary materials for the aesthetic display portion of the competition. ([Section 6.2.1](#))

Surveying Competition:

Topographic Map Display: It is the responsibility of each team to bring one (1) 24-inch by 36-inch paper copy set of the topographic mapping project to the symposium, which will be used for public display at the student symposium ([Section 7.3, Paper Copy Submittals](#)). The paper copy set shall be submitted to the student symposium host at check-in.

(This copy is for the public display and does not replace the required online submission due on February 24, 2025, by 5:00 pm EST.)

- Teams are encouraged to bring a standard 6ft tablecloth displaying your school's name, logo, or chapter name (*not required*).
- Teams should plan to stay with their topo map public display to discuss their project with spectators.

Field Task Equipment: Please refer to [Appendix D, Equipment List, in the rules](#) for a full list of required items for the competition. All items must be supplied by each individual team at the symposium competition.

Sustainable Solutions:

Poster Session: Teams will be responsible for providing their own easel for the poster presentation. You can find standard 63" poster board easels online. Easel [Example](#).

Teams will be expected to stay with their poster during the display to discuss their project with spectators.

ASCE 3D Printing Competition: Teams will be responsible for providing their own easel for the poster presentation. You can find standard 63" poster board easels online. Easel [Example](#).

Timber-Strong Design Build Competition: Teams will be responsible for providing their own easel for the visual aid at the build site, as outlined in [Section 9.2 of the rules](#). You can find standard 63" poster board easels online. Easel [Example](#).

Student Symposium Paper Competition: See above in red

Social Network Information

The 2025 ASCE Carolinas Student Symposium will utilize the Clemson University Events app to communicate information related to the schedule, locations, and competitions during the symposium. Invitations for the app will be sent to the email used for Individual Registration (Page 2, Step 2). Emails regarding registration will be sent on Monday, March 17th.

Once you have received the email invitation and installed the app, log in, set up your profile, make your profile public (so you can interact with others) and register for all meals you plan to attend. To be as sustainable as possible, we also ask that you indicate the meals you plan to attend to help us better provide for all participants by March 28th.

We have introduced a 'competition' that will not count towards the overall symposium, which is called the Leadership and Engagement Award. Attendance at ASCE workshops and interaction/posting on the app will add points towards the award.

If you have questions regarding the app, please contact ascesympoium@clemson.edu.

Student Symposium Paper Competition

Submission deadline is: March 28th
Submission email/link is: ascesympoium@clemson.edu

This topic is the same topic as the [Daniel W. Mead Prize for Students](#). However, the Student Symposium Paper Competition and the Daniel W. Mead Prize for Students are two separate competitions and **must be submitted separately**. The Student Symposium Paper Competition paper is due **March 28th** and submitted to ascesympoium@clemson.edu. The [Daniel W. Mead Prize for Students](#) is due March 1st and submitted to student@asce.org.

*****SOCIETY-WIDE FINALS ELIGIBILITY REQUIREMENT*****

Both the paper submission and the presentation are mandatory for any ASCE Student Chapter participating in the 2025 ASCE Carolinas Student Symposium that wishes to be eligible to advance to ASCE Society-wide competition finals and SSBC National Finals. Competitions **requiring** participation include:

- ASCE Concrete Canoe Competition
- ASCE Sustainable Solutions Competition
- ASCE UESI Surveying Competition, and
- AISC/ASCE Student Steel Bridge Competition.

Note: Any papers/presentations created for any other competition do not count as an entry into the Student Symposium Paper Competition.

ASCE Society Competition Eligibility Requirements

Competitions that advance to an ASCE Society-wide Competition Finals include the ASCE Concrete Canoe Competition, ASCE Sustainable Solutions Competition, and ASCE UESI Surveying Competition. The AISC/ASCE Student Steel Bridge Competition advances to the SSBC National Finals and follows the eligibility requirements below. See [SSBC Rules](#) for more information.

The purpose of student competitions is to provide student members career-enrichment opportunities to gain hands-on, practical experience and leadership skills. Society Competitions are an important and special opportunity to showcase the engineering and professional skills of student teams. As such, mutual respect is required for all stakeholders, including competitors, judges, hosts, and guests. Invitations to the Student Symposia and the ASCE Student Civil Engineering Championships/Society-wide Competition Finals are a privilege, not a right. Failure to act professionally can result in sanctions, disqualifications, and loss of invitations. Please note that the requirements for eligibility for Society-wide competition finals are more stringent than the requirements for participation at the student symposia competitions.

ELIGIBILITY FOR STUDENT SYMPOSIUM COMPETITION

The following qualifications are required of all ASCE Student Chapters to compete at the Student Symposia Competitions:

An ASCE Student Chapter must:

1. Be in good standing with ASCE:
 - a. Have paid their annual dues, as received by ASCE, **no later than the start of their Student Symposium.**
 - b. Have submitted their student chapter's full Annual Report or EZ Annual Reporting Form **no later than February 1, 11:59 p.m. EST.**

ELIGIBILITY FOR ASCE SOCIETY-WIDE COMPETITION FINALS

The following qualifications are required of all ASCE Student Chapters in order to advance to the ASCE Society-wide Competition Finals:

An ASCE Student Chapter must:

1. Be in good standing with ASCE:
 - a. Have paid their annual dues, as received by ASCE, no later than February 1, 11:59 p.m. EST.
 - b. Have submitted their student chapter's **full Annual Report**, **no later than February 1, 11:59 p.m. EST**, **and have received a minimum score of 25 points out of a possible 100.** **Student Chapters that submit an EZ annual reporting form do not qualify** to advance to competition finals; and
2. Attend and participate in their assigned Student Symposium as shown through their school's:
 - a. On-time attendance and active participation by a member of the ASCE Student Chapter at the Student Symposium Business Meeting.
 - b. Participation in the Student Symposium Paper Competition, including submission and presentation by a member of the ASCE Student Chapter. Note that any papers/presentations created for any other competition do not count as an entry into the Student Symposium Paper Competition.

Questions regarding eligibility should be directed to student@asce.org

CECSC T-shirt Collection Request

The 2025 ASCE Civil Engineering Student Championships are happening at California Polytechnic State University, San Luis Obispo, from June 27th to 29th, 2025. Cal Poly SLO wants to give a shout-out to all the hard work each team puts in to compete at the symposium level and their journey toward the Society-wide finals. For the 2025 ASCE student symposia, over 800 teams are competing in the 7 Society competitions at 22 student symposia!

While you are at the ASCE Carolinas Student Symposium, Cal Poly SLO is asking every ASCE student chapter to bring an extra club/symposia/project team tee shirt (or more if you can!) to your student symposium. These shirts will be collected by the host school and sent to Cal Poly SLO where they will be displayed for all the competing students, ASCE staff, judges, and committee members to check out.

You can drop off your team's shirt(s) on Thursday (at registration) or Saturday (at the banquet), or get in touch directly with Cal Poly SLO's ASCE Civil Engineering Student Championships Host Chair, Nick Mackechnie, at nmackech@calpoly.edu.

The final display will be featured on the ASCE website this summer. Do not forget to follow Cal Poly SLO's Instagram page [@cecsc2025](https://www.instagram.com/cecsc2025) to keep up with the journey to the 2025 ASCE Civil Engineering Student Championships!
