

2022 EGLC Student Symposium

January 26, 2022

Dear ASCE Student Chapter of the EGLC Student Conference:

This is your 2022 EGLC Student Symposium Mailer II, the second of three packets to be sent to each of the participating ASCE Student Chapters in our Student Conference. While we fully intend for our 2022 Student Symposium to be held in person, given the unpredictability of COVID-19 variants, it is conceivable that circumstances may change. We are trying to remain flexible in our planning and recommend that you do the same. Our Student Symposium Planning Committee and ASCE will continue to monitor the situation and provide more guidance as necessary. At this time, however, the guidance we have received says to continue forward with in-person planning.

Further, all individuals planning and/or participating in the student symposium are responsible for complying with all campus protocols and procedures including but not limited to COVID-19 guidelines related to in-person meetings, masking, social distancing, etc., at all times in connection with planning, preparation, or participation in the student symposium. Please use all of the tools available to keep people safe and healthy.

Please carefully read through this packet and forward copies to the appropriate chairpersons in your Student Chapter. Do not delete this mailer.
