

Equipment Rodeo Gulf Coast Rules

Overview

Can you put your problem solving and quick thinking to the test? Operate various pieces of construction equipment to complete a task.

Objective

Students to operate construction equipment in a competition that involves skill and finesse.

Eligibility

Each school may have one (1) team made up of 1 to 3 team members. One member of each team will be deemed the captain.

Gameplay

Further details of game play, rules, directions, and scoring will be made available on the day of the competition as there is no previous preparation required.
