

ASCE Intermountain Southwest Student Symposium

ISWS

University of Utah

Mailer 4

Symposium Information

April 16 - 18, 2026

Symposium Information

Dear Student Chapter of the ASCE Intermountain Southwest Student Symposium (ISWS),

This is your 2026 ASCE Intermountain Southwest Student Symposium Mailer 4. This information packet contains:

- Safety-First Culture Information
- Updated Symposium Schedule
- Updated Presentation Schedule
- Unload & Load Schedule
- Unloading & Loading Information
- Concrete Canoe Day Information
- Maps, Directions, and Parking Information
- Meal Tickets
- Non-Competition Event Information
- Check In Information
- Trailer Parking Information
- Question & Answer
- Recommended Apps
- Sponsors

Please carefully read this information and forward copies to the appropriate members in your ASCE Student Chapter and students for each team competing at the student symposium. Do not delete this information packet. Enclosed, you will find the following information:

If you have any questions, feel free to contact us at isws2026.uofu@gmail.com. All symposium information, including events, mailers, policies, and rules, etc., will be posted on our [website](#).

We look forward to your participation in the 2026 Intermountain Southwest Student Symposium, providing an opportunity to engage with other student chapters and ASCE Region Leadership.

Sincerely,

Sophia Speedy
Sophia Speedy
2026 ISWS Planning Chair

Katy Lam
Katy Lam
2025-2026 Chapter President

Safety-First Culture Information

ASCE and the University of Utah are encouraging a Safety-First Culture during the student symposium. We encourage all symposium participants to embrace this concept by thinking about safety in their activities coming to, returning from, and while at our symposium. We want every symposium participant to return home safe and healthy.

To support a safety-first culture, we will provide important safety information to attendees before and during the symposium. A designated symposium safety officer will be announced soon, and their contact information will be shared once confirmed. In the meantime, please watch for updates such as the location of first-aid supplies, identification of participants with first-aid training, and brief Safety Moments throughout the event.

What is a Safety Moment? A Safety Moment consists of a quick discussion on an activity-specific, site-specific, or general safety topic. The Safety Moment may be presented by the leader of an activity, the symposium safety officer, or a member of the host symposium planning team. We ask that all participants give their undivided attention to the Safety Moment discussion and embrace the safety-first concept.

If an injury does occur during the symposium, it should be reported to the competition head judge, symposium safety officer, or activity leader immediately so that appropriate action can be taken based on the injury. If it is an emergency, please call 911 first.

Contact information for the symposium safety officer and key host school representatives is listed below. Please keep this list close during the symposium, and we encourage you to program the symposium safety officer's phone numbers into your cell phone.

Safety Officer

Luis Ibarra

Updated Symposium Schedule

Tuesday April 14		
Event	Time	Location
Timber Strong Captain's Meeting	6:00 PM - 7:00 PM	Zoom
Wednesday April 15		
Event	Time	Location
School Check In	5:00 PM - 10:00 PM	Union Corridor
Timber Strong Unload - Round 1	8:00 PM - 10:00 PM	Union Ballroom
Thursday April 16		
Event	Time	Location
Concrete Canoe Display Set Up	6:00 AM - 8:00 AM	Warnock Engineering Building Catmull Gallery
Timber Strong Unload - Round 2	7:00 AM - 8:00 AM	Union Ballroom
Late School Check In	7:00 AM - 8:00 AM	Union Corridor
Survey Captain's Meeting	8:00 AM - 8:30 AM	University of Utah Campus (see maps)
Welcome / Safety Meeting	8:00 AM - 8:30 AM	Union Ballroom
Concrete Canoe Displays	8:00 AM - 11:00 AM	Warnock Engineering Building Catmull Gallery
Survey Field Tasks	8:30 AM - 11:30 AM	University of Utah Campus (see maps)
Timber Strong Set Up - Round 1	8:30 AM - 9:00 AM	Union Ballroom
Timber Strong Build - Round 1	9:00 AM - 10:30 AM	Union Ballroom
Transportation Presentations	10:30 AM - 11:30 AM	Layton Auditorium
Timber Strong Judge - Round 1	10:30 AM - 11:30 PM	Union Ballroom
Lunch	11:00 AM - 1:00 PM	Union Patio
Concrete Canoe Display Take Down	11:00 AM - 1:30 PM	Warnock Engineering Building Catmull Gallery
Steel Bridge Display Set up	11:00 AM - 1:30 PM	Warnock Engineering Building Catmull Gallery
Timber Strong Clean Up - Round 1	1:00 PM - 2:30 PM	Union Ballroom
Survey Field Tasks	1:00 PM - 4:00 PM	University of Utah Campus (see maps)
Concrete Canoe Presentations	2:00 PM - 5:30 PM	Union Theatre
Timber Strong Set Up - Round 2	2:30 PM - 3:00 PM	Union Ballroom
Timber Strong Build - Round 2	3:00 PM - 4:30 PM	Union Ballroom
Steel Bridge Displays	3:00 PM - 5:00 PM	Warnock Engineering Building Catmull Gallery
Timber Strong Judge - Round 2	4:30 PM - 5:30 PM	Union Ballroom
Steel Bridge Judges Only Meeting	5:00 PM - 6:00 PM	Warnock Engineering Building Room 1460
Timber Strong Clean Up - Round 2	5:30 PM - 7:00 PM	Union Ballroom
Survey Presentations	5:30 PM - 6:30 PM	Layton Auditorium
Steel Bridge Display Take Down	6:00 PM - 7:30 PM	Warnock Engineering Building Catmull Gallery
Steel Bridge Captain's Meeting	6:00 PM - 7:00 PM	Warnock Engineering Building Room 1460
Sustainable Solutions Captain's Meeting	6:00 PM - 7:00 PM	Warnock Engineering Building Room 1450
3D Printing Captain's Meeting	6:00 PM - 7:00 PM	Warnock Engineering Building Room 2460
Construction Institute Captain's Meeting	6:00 PM - 7:00 PM	Warnock Engineering Building Room 1230

8:30 PM - 9:00 PM	UVU

Please see the next page for more instructions regarding the unloading and loading of competition materials.

Unloading & Loading Information

Timber Strong & Steel Bridge Competition Load and Unload

- Each team will have **30 minutes** to unload and load their competition materials in the designated area shown below.
- We recommend unloading your materials onto the sidewalk before carrying them inside to help ensure you have enough time to move everything.
- This location is in a **high-traffic bus loop**, so please be mindful when moving in and around your vehicle. Teams that require additional time will be directed to the lower parking lot.
- Please arrive on time for your scheduled unload and load window.

Timber Strong & Steel Bridge Display Load and Unload

- Each team will have **30 minutes** to unload and load materials for displays in the designated area shown below.

Please follow these guidelines:

- Do not park on the sidewalk
- Keep your hazard lights on
- A driver must remain with the vehicle in case it needs to be moved
- Arrive on time for your unload and load window

A. Ray Olpin Student Union, 200 S

Lake City, UT 84112

Concrete Canoe Day Information

We're excited to host the Concrete Canoe Races at Jordanelle Reservoir! As this is a mountain lake, conditions may be colder and more variable than anticipated. Please review the following information to ensure your team is well prepared and that we can run a safe, successful event. Please ensure all drivers have access to the **entry pass** provided in the email with this packet or on Discord.

What to Bring:

- Camp chairs (recommended due to rocky ground)
- Sturdy shoes suitable for walking on rocks/wet ground
- Warm layers (forecasted high is around 51°F)
- Wetsuit or similar gear (water temperatures will be cold)

Heaters will be available near the race area for all participants.

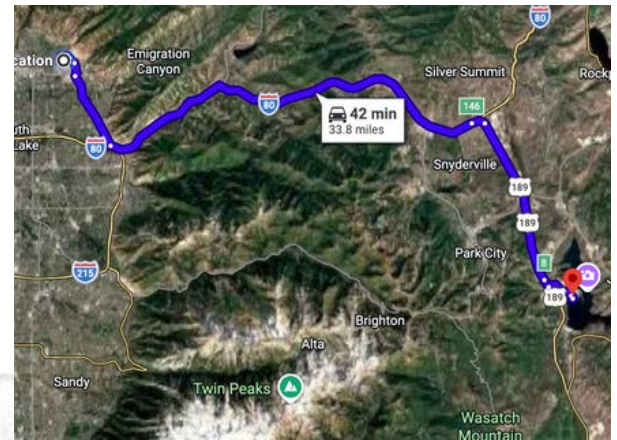

Boat Ramp Access:

The boat ramp is steep and requires caution. Only 4x4 vehicles will be permitted to drive down the ramp, and drivers must be confident in their ability to navigate it safely. We do not want any vehicles ending up in the water.

If you are unsure about driving down the ramp, we strongly recommend carrying your canoe down to the water instead. The University of Utah is not responsible for any vehicles that attempt to use the ramp and are unable to do so safely.

Red: Friday Lunch

Blue: Saturday Breakfast

Brown: Saturday Lunch

Purple: Saturday Dinner

Non-Competition Event Information

School Check In:

- Wednesday, April 15, 2026, from 5:00 PM - 10:00 PM in the University of Utah Union Corridor
- See page 15 for parking information.

Welcoming Ceremony & Safety Reminders:

- Thursday, April 16, 2026, from 8:00 AM - 8:30 AM in the University of Utah Union Ballroom

Career Fair:

- Friday, April 17, 2026, from 9:00 AM - 1:00 PM in the Warnock Engineering Building

ASCE Information Table:

- Friday, April 17, 2026, from 9:00 AM - 1:00 PM in the Warnock Engineering Building
- Stop by the table to learn more about ASCE

Business Meeting:

- Friday, April 17, 2026, from 4:00 PM - 6:00 PM in the Warnock Engineering Building

Banquet/Awards Ceremony:

- Saturday, April 18, 2026, at The Grand America.
- Business casual attire

Trailer Parking:

- Trailers can park in Lot 39 - Merrill Engineering
- See page 14 for more information

Check In Information

School check-in will take place on Wednesday, April 15, 2026, from 5:00 PM - 10:00 PM in the University of Utah Union Corridor. If your chapter can not make it to the Wednesday check-in, there will be a late check-in on Thursday morning from 7:00 AM - 8:00 AM.

On Wednesday night, parking will be available in the lot below. Please park in the highlighted spots and **do not park in the bus loop**. If no parking is available, we recommend dropping off in the same parking lot or using the adjacent paid lot.

Trailer Parking Information

Parking for student chapter trailers is permitted in Lot 39 - Merrill Engineering. Please park by pulling through the designated parking spaces. Any trailers parked outside the marked areas will be ticketed. The University of Utah is not responsible for any parking citations issued.

Passenger vehicles are not permitted in this lot and will be ticketed. Participants are strongly encouraged to use UTA public transportation when traveling to campus.

Question & Answer

- Who can park in Lot 39?
 - Only student chapter trailers are permitted to park in Lot 39. Trailers must fit entirely within designated pull-through spots. Passenger vehicles are not allowed in this lot and will be ticketed. Participants are strongly encouraged to use UTA public transportation to access the campus.
- What happens if our vehicle gets a ticket?
 - If a student chapter vehicle receives a citation from parking enforcement, the University of Utah will not be responsible for paying it. All parking areas will be clearly marked. If you have questions, please email us in advance or speak with a volunteer on-site.
- Where can we park passenger vehicles?
 - We recommend parking at your hotel or using public parking options near TRAX stations and bus stops. If your chapter chooses to park on campus, please note that the University of Utah will not cover parking costs (except for trailer parking).
- Where can we unload Timber Strong and Steel Bridge equipment?
 - A designated loading and unloading area will be available closer to the Union, where the competitions will take place. Additional details, including chapter-specific unload/load times and maps, will be shared soon.
- Do we have to pay to enter the Jordanelle Reservoir?
 - No. All student chapter vehicles will receive a parking pass before the event. Drivers must present this pass upon arrival. These passes are only valid for student chapter vehicles, volunteers, and judges. If your student chapter loses the parking pass, your chapter will be responsible for covering the entry fee.
- Is there parking at the Grand America?
 - The University of Utah will not be providing parking for the final banquet at the Grand America. We recommend attendees use UTA TRAX, which stops within a one-minute walk. Chapters choosing to park onsite will be responsible for the cost (\$16-\$20).
- Packing recommendations for concrete canoe races
 - Canopy tents, chairs, and additional snacks
 - Swimsuit
 - Sun protection (hat, sunglasses, sunscreen, etc.)
 - Attendees swim at their own risk (no lifeguard will be on duty)
 - Please note that the water at Jordanelle Reservoir may be cold, so paddlers should plan clothing accordingly.

All events at the ASCE Intermountain Southwest Student Symposium are dry events. Alcohol and drugs of any kind are strictly prohibited.

Recommended Apps

Join our Discord

We will be using Discord to communicate in the weeks before the event and during the competition. Please join to stay out to date.

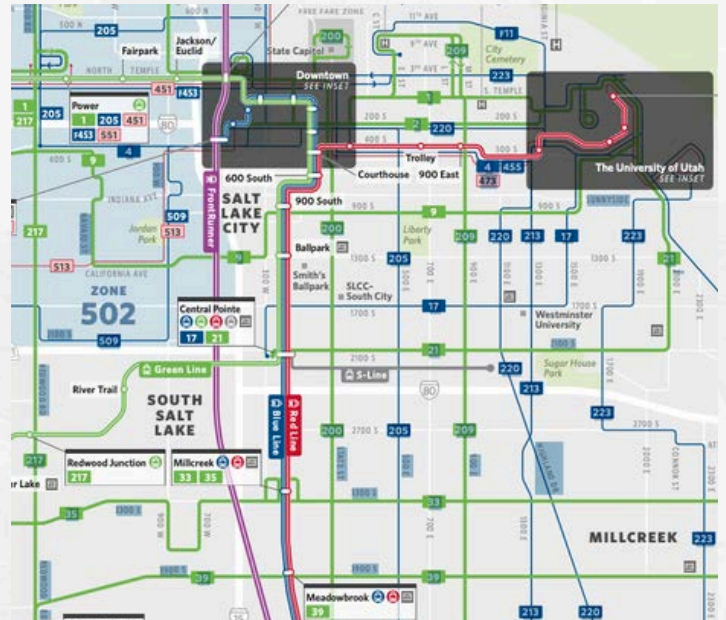

[Click here to join](#)

Transit App

We recommend you download the Transit app. We will be providing passes to all attendees to get around Salt Lake and to the University of Utah campus. You can use the Transit app to get updated bus and Trax times.

Thank You to Our Current Sponsors

On behalf of our student chapter, we would like to express our deepest appreciation to our current sponsors for their generosity and continued support. Hosting the 2026 ASCE Intermountain Southwest Student Symposium would not be possible without their commitment and confidence in our organization. Their support is essential in allowing us to plan and deliver an event that brings together students, professionals, and educators from across the region to connect, collaborate, and learn.

In addition to making this symposium possible, our sponsors' ongoing involvement has a meaningful and lasting impact on our chapter and members. Their partnership enables us to expand professional development opportunities, foster leadership growth, and provide meaningful hands-on experiences that prepare students for successful careers in civil engineering. By investing in our chapter, our sponsors are directly supporting the next generation of engineers and helping shape the future of the profession.

We are extremely grateful for our sponsors' partnership and the important role they play in our chapter's continued growth and success. Thank you once again for your generosity, dedication to education, and support of our chapter and the 2026 ASCE Intermountain Southwest Student Symposium.
