about us:

Members of the ASCE GMU chapter at the 2023 Mid-Atlantic West ASCE STUDENT SYMPOSIUM

GMU Steel Bridge team (pictured above) won first place in all categories in 2022 Student Symposium.

GMU Sustainable Solutions team finished first place overall in 2022 and 2023.

GMU surveying team finished second overall in 2022 and 2023.

Our Purpose:

We enhance the knowledge gained from the classroom by providing students with the tools needed to help build a solid foundation for future careers in civil engineering fields.

Why support us?

Sponsoring our ASCE Chapter allows your company to directly support the growth of the civil engineering industry and rising professionals. Sponsoring of the George Mason University ASCE Chapter provides your company with a personal network among the Civil community at Mason.
