

2025 ASCE Mid-South Student Symposium

T-Shirt Competition

Each school may present one T-Shirt at the symposium for judging. The general requirements are that it must be able to be worn and theoretically make it through a washing machine with minimal damage to logos, lettering, etc. T-Shirt must reflect or represent the 2025 ASCE Mid-South Student Symposium (be unique to this year) in some way by permanent lettering, logo, etc. The design must be completed by ASCE member(s) with active membership. Number of participating members is not limited. The entire design team must be present at the symposium to compete, which will be enforced by the honor system. As stated by a previous symposium, please remember that we “uphold the honor, integrity and dignity of the profession” and “only take credit for professional work (we) have personally completed.

T-Shirts will be displayed at a time and place to be determined during the symposium. Each school will be provided with two ballots to vote for the best design, preferably to be completed by the school’s faculty advisor and student chapter president. First through third place awards will be presented based on the total number of votes. Individual schools may not vote for their own design. We would ask that the T-Shirt provided for presentation be left at the symposium for display for years to come at UA Little Rock to commemorate this event.
