

Transportation Competition

Saturday Morning

April 11, 2026

Ashraf Islam Engineering Building (AIEB) 130

Each team of up to three people will compete in a transportation themed challenge. No prior knowledge of transportation engineering is required; perfect for freshmen and sophomores!

The challenge will use a web-based simulation. Each team must bring at least one laptop with an up-to-date web browser.

RSVP for your team along with Mailer 2, and then show up on April 11th.

Event sponsored by Benesch
