2022 Pacific Northwest Student Symposium

January 6th, 2022

Dear ASCE student chapters of the Pacific Northwest Student Conference:

Our University of British Columbia ASCE Student Chapter (UBC ASCE) hopes you have had a restful winter break and a good start to 2022. This Mailer II provides updated information regarding the 2022 ASCE Pacific Northwest Student Symposium, to be held in Vancouver, British Columbia on **April 27th-29th, 2022**.

We are currently planning for the Symposium to be held in-person, but are also considering alternative online, outdoors-only, or hybrid formats due to the Omicron COVID-19 variant. Based on public health measures and your feedback provided through the receipt confirmation form, we will share our finalized Symposium format in Mailer III.

If your university has not yet completed student chapter registration, please do so by **January 9th** and pay the late registration fee; details are provided within this Mailer. Please note that as we are currently considering alternative Symposium formats, individual registration information will now be sent with Mailer III.

Please carefully read through this Mailer and forward copies to the appropriate members of your student chapter. Save this Mailer as information given within may not be repeated in subsequent Mailers.

Receipt of this Mailer must be confirmed using the link within by **January 22nd, 2022**. If you have any questions or comments, please send us an email at ubc.asce@gmail.com. All questions and answers concerning the events, rules, etc. will be posted on our website: studentsymposium.asce.org/pacific-northwest

We look forward to seeing you at the 2022 Pacific Northwest Student Symposium and providing you an opportunity to engage with other student chapters and ASCE Region Leadership.

Sincerely,
Frederick Heere

Receipt Confirmation

Please use this [link](#) to confirm that your university has received Mailer II. Receipt confirmation is due January 22nd, 2022.

Symposium Format

We have been looking forward to welcoming you at the University of British Columbia and will do our best to keep the Symposium in person. However, due to the Omicron COVID-19 variant, the Symposium may be shifted to an online, virtual, outdoors-only, or hybrid format. Our final decision regarding Symposium format will be shared with you in Mailer III.

Assuming we are able to continue with an in-person Symposium, ensure that all participants from your university are fully vaccinated and are able to provide proof. A list of COVID-19 vaccines approved by Health Canada is available [here](#).

Late Student Chapter Registration

If you have not yet registered, please use this [link](#) for late student chapter registration, which must be completed by **January 9th, 2022**.

Late registration is 460 CAD per school; for US schools unable to write cheques in CAD, please send us 370 USD. See the attached Late Student Chapter Registration Fee Form on the last page of this Mailer for details.

Tentative Symposium Schedule

The Symposium will be held from the evening of Wednesday, April 27th to the evening of Friday, April 29th, 2022. The exact schedule will be included in Mailer IV.
