[https://studentsymposium.asce.org/
pacific-northwest/](https://studentsymposium.asce.org/pacific-northwest/)

Hosted by the UBC ASCE Student Chapter

COMPETITIONS

Concrete Canoe

Steel Bridge

Sustainable Solutions

Environmental (Regional)

Student Paper

KEYNOTE: OMAR SWEI

Omar is excited to share career advice and opportunities for engineers, stemming from his own experiences and those he has mentored.

Join us virtually on Zoom and Remo for networking, professional presentations, prizes, and more!

All are invited to support the participating schools in their respective competitions.
