

# PARTNERSHIP PACKAGE

**2026 ASCE PACIFIC  
NORTHWEST STUDENT  
SYMPOSIUM**

# NOTE TO PARTNERS

Dear Prospective Partners,

The University of Alaska Anchorage, the University of Alaska Fairbanks, and the University of Washington are proud to announce that we will be co-hosting the 2026 ASCE Pacific Northwest Student Symposium, to be held in Seattle, Washington, from April 10th-12th, and in Anchorage, Alaska, from April **16th-18th, 2026**.

We are excited to welcome students from across the region to participate in events such as ASCE Concrete Canoe Competition, AISC/ASCE Student Steel Bridge Competition, ASCE Sustainable Solutions Competition, ASCE UESI Surveying Competition, Timber-Strong Design Build Competition, and ASCE Student Symposium Paper Competition. These competitions challenge students to apply classroom knowledge to real-world engineering challenges - setting up the next generation of civil engineers for success.

University of Washington will be covering the canoe competition in Seattle, due to weather requirements and will have separate fundraising for their portion of the symposium.

This event will bring together over 200 civil engineering students from up to 21 universities across Alaska, Alberta, British Columbia, Idaho, Montana, Oregon and Washington. Civil engineering students will be able to collaborate, demonstrate their technical skills, showcase school spirit, and connect with industry professionals.

It is a tremendous honor to host this event, and we are committed to making it both impactful and memorable. As hosts, we are responsible for all aspects of planning and funding the event, and we can't do it without the support of partners like you. Your contribution not only makes this symposium possible, but also supports the education and development of future generations.

In the attached packet, you'll find a variety of partnership levels and engagement opportunities including financial contributions, in-kind donations, and volunteer support. Every form of support makes a difference, and we are grateful for your consideration. Full details can be found on the Becoming a Partner page later in this package. If you have any questions, would like any additional information, or are ready to discuss partnership opportunities, please feel free to contact us at [2026PNWSymposium@gmail.com](mailto:2026PNWSymposium@gmail.com).

Thank you for considering this opportunity to invest in the future of civil engineering. We look forward to the possibility of partnering with you to make the 2026 ASCE Pacific Northwest Student Symposium an extraordinary success.

Sincerely,

The 2026 ASCE PNW Symposium Planning Team

# ABOUT ASCE

The **American Society of Civil Engineers** (ASCE) represents more than 160,000 members of the civil engineering profession in 177 countries. Founded in 1852, ASCE is the nation's oldest engineering society. ASCE is devoted to advancing technologies, encouraging lifelong learning, promoting professionalism in civil engineering, developing leaders, advocating for infrastructure and environmental stewardship.

## ABOUT PNWS

The ASCE Pacific Northwest Student Symposium is one of 21 ASCE regional student symposia held annually as an opportunity for ASCE student chapters in their respective regions to showcase their skills and achievements by designing, building, and/or competing in various civil engineering activities.

The Pacific Northwest region is a subregion within ASCE Region 8, which comprises 21 universities from Alaska, Alberta, British Columbia, Idaho, Montana, Oregon, and Washington. Winners of the competitions may have the opportunity to move on and compete at the ASCE Civil Engineering Student Championships.

# ASCE PNWS STUDENT CHAPTERS

- University of Alaska Anchorage
- University of Alaska Fairbanks
- University of Alberta
- University of British Columbia
- Carroll College
- University of Calgary
- Gonzaga University
- University of Idaho
- Montana State University - Northern
- Montana Technological University
- University Oregon Institute of Technology
- Oregon State University
- University of Portland
- Portland State University
- Saint Martin's University
- Seattle University
- Walla Walla University
- University of Washington
- Washington State University
- Washington State University- Tri Cities

**ASCE**

# SYMPOSIUM EVENTS

- AISC/ASCE Student Steel Bridge Competition
- ASCE Sustainable Solutions Competition
- ASCE UESI Surveying Competition
- Timber-Strong Design Build Competition
- ASCE Student Symposium Paper Competition

**ASCE**

# PARTNERSHIP PACKAGES

Below are several ways your company can support the ASCE Pacific Northwest Student Symposium, including financial contribution, in-kind donations, and volunteer involvement. If you have any questions or would like to discuss how your company can be involved, please do not hesitate to contact our planning committee at [2026PNWSymposium@gmail.com](mailto:2026PNWSymposium@gmail.com). We recognize that every contribution is unique, and we deeply appreciate any support your company can provide.

## **Byron Glacier - 500\$**

- Recognition in the symposium program
- Company logo on our 2026 ASCE Pacific Northwest Student Symposium website (<https://studentsymposium.asce.org/pacific-northwest/>)

## **Margerie Glacier - 1,000\$**

- Recognition in the symposium program
- Company logo on our 2026 ASCE Pacific Northwest Student Symposium website
- Company shout-out at our awards banquet
- Small logo on PNWS Symposium t-shirt

## **Portage Glacier - 2,500\$**

- Recognition in the symposium program
- Company logo on our 2026 ASCE Pacific Northwest Student Symposium website
- Company shout-out at our awards banquet
- Small logo on PNWS Symposium t-shirt
- Company logo displayed on banner during competition

# PARTNERSHIP PACKAGES

## Exit Glacier - 5,000\$

- Recognition in the symposium program
- Company logo on our 2026 ASCE Pacific Northwest Student Symposium website
- Company shout-out at our awards banquet
- Small logo on PNWS Symposium t-shirt
- Company banner display during competition
- Company booth during competition

## Knick Glacier - 7,500\$

- Recognition in the symposium program
- Company logo on our 2026 ASCE Pacific Northwest Student Symposium website
- Company shout-out at our awards banquet
- Small logo on PNWS Symposium t-shirt
- Company banner display during competition
- Company booth during competition
- 2 Banquet Tickets

For the following partnerships above:

- *The Exit Glacier partnership will include as a benefit of your partnership contribution, a booth valued at \$900. Your Tax deductible contribution will be \$4100 Dollars.*
- *The Knick Glacier partnership will include as a benefit of your partnership contribution, a booth and 2 banquet tickets, valued at \$990. Your tax deductible contribution will be \$6510 dollars.*

# PARTNERSHIP PACKAGES

## Matanuska Glacier - 10,000\$

- Recognition in the symposium program
- Company logo on our 2026 ASCE Pacific Northwest Student Symposium website
- Company shout-out at our awards banquet -Small logo on PNWS Symposium t-shirt
- Company banner display during competition
- Company Booth during competition
- 4 Banquet Tickets

For the following partnership above:

- *The Matanuska Glacier partnership will include as a benefit of your partnership contribution, a booth and 4 banquet tickets, valued at \$1,080. Your tax deductible contribution is \$8920.*

# Goods & Services Partnerships

Goods & services partnerships provide valuable non-monetary support through donated materials, supplies, or services that help reduce event costs and enhance the overall experience.

We welcome and appreciate contributions in the following areas:

- Tables
- Chairs
- Plywood sheets - to cover gym floor for steel bridge competition
- Printing services
- Banquet decorations
- Catering Services
- Event volunteers
- Competition Judges

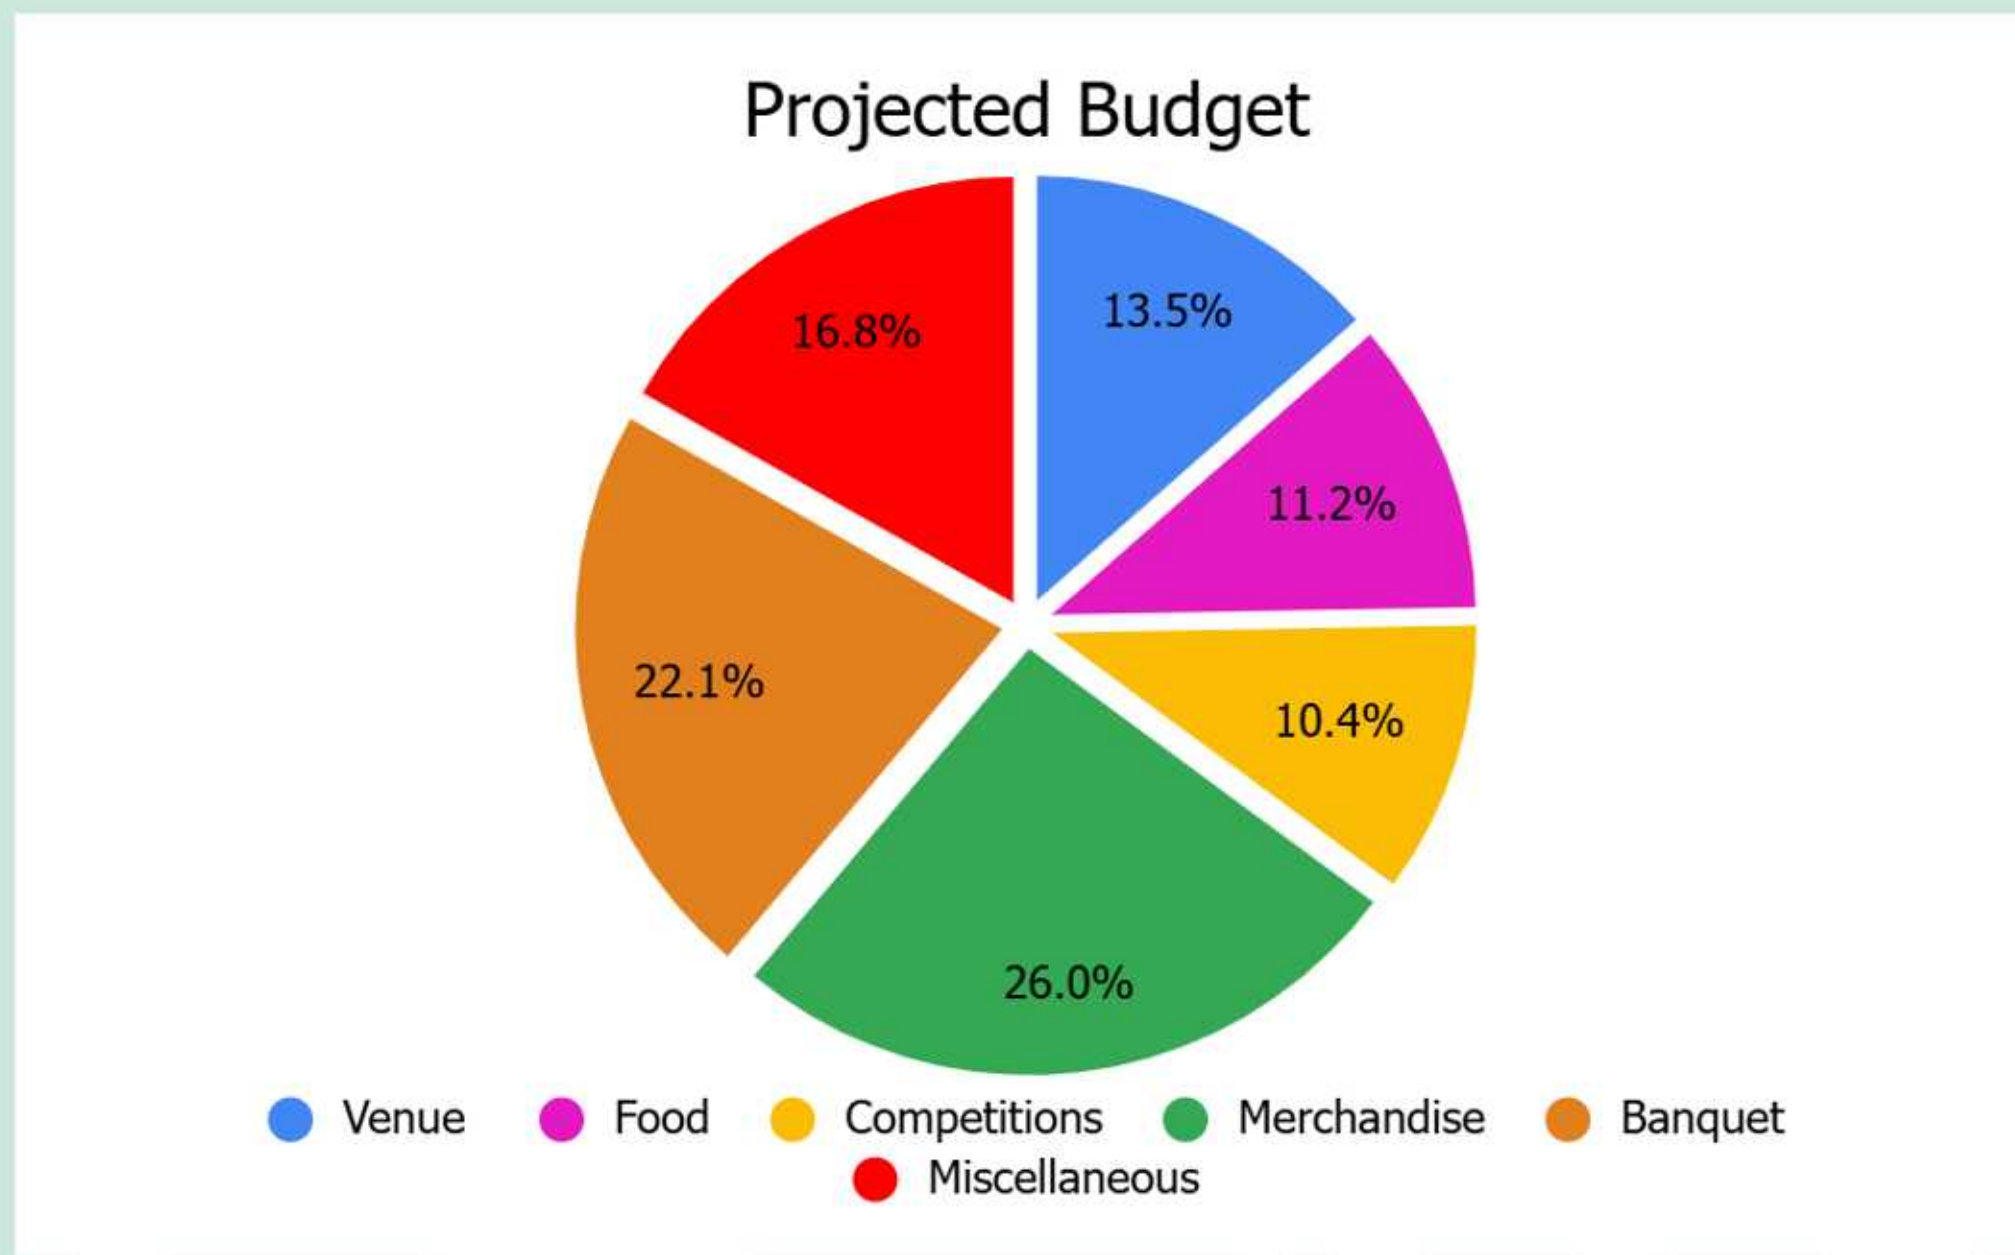

## Volunteers

The ASCE Pacific Northwest Student Symposium would not be possible without the dedication and support of our volunteers. We invite individuals and company representatives to join us in supporting the next generation of Civil Engineering professionals. Volunteer roles include event judging, lunch distribution, setup and takedown assistance, and general support throughout the conference.

Please note that volunteering may require a full-day commitment, depending on the role assigned. All volunteers will receive training in advance to ensure they are well-prepared for their responsibilities during the competition. If you or your organization are interested in volunteering, please complete the form at the end of this packet or contact us directly at [2026PNWSymposium@gmail.com](mailto:2026PNWSymposium@gmail.com).

# Symposium Budget

## Cost Breakdown

We are excited to host this year's symposium and create an engaging, educational, and memorable experience for everyone involved! This year, we're expecting around 200 students and guests, including faculty advisors, judges, volunteers, and partners. Partnerships go toward helping making this event more affordable for students. Our Goal is **\$50,000**, which will support a wide range of event needs to ensure a smooth and memorable experience for all.

**Food:** We'll provide meals for all attendees, including an opening mixer on Thursday. Lunch and hospitality snacks will be available throughout Friday and Saturday.

**Banquet:** a closing banquet on Saturday which will feature plated dinners and award ceremony for all symposium events.

**Merchandise:** Every attendee will receive event T-shirts and lanyards as keepsakes from the symposium.

**Venues & Competitions:** Multiple spaces will be dedicated to hosting competitions and presentations, each equipped to meet its unique needs. Competitions will include all necessary materials, judging support, and awards.

**Miscellaneous:** Additional funds will cover signage, event branding, and other essential details that bring the event together.

# Becoming a Partner

## Becoming a Partner

The 2026 ASCE Pacific Northwest Student Symposium, proudly hosted by the University of Anchorage Alaska, would not be possible without the generous support of sponsors like you. Your partnership plays a vital role in advancing the education, development, and success of the next generation of civil engineers. We warmly invite your company to join us in supporting this meaningful event. Whether through a monetary contribution, goods and services, or volunteer engagement. Every form of support helps create an enriching experience for all involved.

To get involved, please complete the forms below. If you have any questions or would like to discuss partnership opportunities further, feel free to contact us at [2026pnwsymposium@gmail.com](mailto:2026pnwsymposium@gmail.com).

Thank you for your consideration and commitment to the future of engineering.

### How to Give:

**Payment Link:** <https://engage.alaska.edu/uaa/ascepnw>

### Giving by Check:

Checks can be made out to the **UA Foundation** and mailed to **1815 Bragaw, Suite 206, Anchorage, AK 99508**.

\*Please make sure to note what partnership level you have selected on the checks.

### Volunteer Sign Up:

<https://forms.gle/nRYjgtGHWZQjLVWs6>

### Disclaimer

Your gift will be receipted by the University of Alaska Foundation and is tax-deductible to the extent allowed by law. Donors may not purchase partnerships via donor-advised funds or private foundations, as those giving mechanisms do not allow for benefits to be received by their donors.

# Thank You

We greatly appreciate your interest in partnering with us to make this event a success.

Sincerely,

The 2026 ASCE PNW Symposium Planning Team
