PSWS MAILER 3 ASCE PACIFIC SOUTHWEST STUDENT SYMPOSIUM 2026

March 11th, 2026,

Dear ASCE Student Chapter of the Pacific Southwest Student Symposium,

This is your 2025 ASCE Pacific Southwest Student Symposium Mailer 3, the last of three informational packets sent to each of the participating ASCE Student Chapters in this year's Student Symposium at Cal State LA.

Please carefully read through this packet and forward copies to the appropriate members in your Student Chapter. Do not delete this mailer as the information given within may not be repeated in subsequent mailers. Enclosed you will find the following information:

- Mailer 3 Receipt Confirmation/Late Individual Registration
- Second Student Chapter Meeting
- Safety-first Culture Information
- Cal State LA Prohibited Items List
- Competition Safety Information
- Locations on Google Maps
- Non-Competition Event Information
- Business Meeting Information
- Competition Presentation & Display Information
- Final Due Dates
- Final Student Symposium Schedule
- Banquet and Closing Awards Information
- Parking Info
- Social Network and Food Card Information
- Hotel Information
- Sponsor Recognition

Receipt of this mailer should be confirmed by completing the Mailer 3 Acknowledgment Form and Receipt Confirmation by **March 18th, 2026.**

If you have any questions, contact us through the following e-mail address: csula.asce@gmail.com. All symposium information such as events, mailers, policies, rules, etc. will be posted on our website: [2026 ASCE PSWS - Cal State LA](#)

We look forward to your participation in the 2026 ASCE Pacific Southwest Student Symposium and providing an opportunity to engage with other student chapters and ASCE Region Leadership.

Kindest regards,

SAFETY-FIRST CULTURE INFORMATION

ASCE and Cal State LA are encouraging a Safety-First Culture during the student symposium. We encourage all symposium participants to embrace this concept by thinking about safety in their activities coming to, returning from, and while at our symposium. We want every symposium participant to return home safe and healthy.

To generate a Safety-First Culture, we have designated **Mike Morales** as our symposium safety officer. Furthermore, be on the lookout for safety information at or in advance of the symposium, such as the location of first-aid supplies, who in the crowd has first-aid training and Safety Moments.

What is a Safety Moment? A Safety Moment consists of a quick discussion on an activity-specific, site-specific, or general safety topic. The Safety Moment may be presented by the leader of an activity, the symposium safety officer, or a member of the host symposium planning team. We ask that all participants give their undivided attention to the Safety Moment discussion and embrace the safety-first concept.

If an injury does occur during the symposium, it should be reported to the competition head judge, symposium safety officer, or activity leader immediately so that appropriate action can be taken based on the injury. If it is a true emergency, please call 911 first.

Contact information for the symposium safety officer and key host school representatives is listed below. Please keep this list close during the symposium and we encourage you to program the symposium safety officer's phone number into your cell phone.

AS A BEST PRACTICE, WE STRONGLY RECOMMEND THAT FACULTY ADVISORS KEEP AND MAINTAIN ON-HAND A LIST OF EMERGENCY CONTACT INFORMATION FOR THEIR UNIVERSITY AND PARTICIPATING STUDENTS. ASCE AND THE STUDENT SYMPOSIUM HOST DO NOT COLLECT EMERGENCY CONTACT INFORMATION FROM REGISTRANTS.

In the spirit of a Safety Moment, here are some safe driving habits to keep in mind as you travel to the student symposium:

- Driving at the speed limit has proven to save lives.
- Do not drive when tired. Swap drivers often.
- Minimum of two people awake at all times when wheels are rolling.
- Be aware of how larger/heavier vehicles behave when stopping or turning.
- Be aware of your surroundings when backing up any vehicle, especially trailers. Better yet, avoid backing up at all, if possible.
- Use a spotter to watch when you must back up a vehicle.
- Slow down when the conditions warrant (rain, snow, ice, fog, darkness, pedestrians nearby).
- Perform a circle of safety around your vehicle to identify what is in your blind spots.

COMPETITION SAFETY INFORMATION

Please see the competition rules for full details. If there is a discrepancy between the rules and the information listed below, the competition rules are to be followed.

ASCE Concrete Canoe Competition:

Safety gear (closed-toe water shoes and Personal Floatation Device (life jacket)) for each paddler is the responsibility of each team. ([Exhibit 8: Race Regulations & Safety](#))

AISC ASCE Student Steel Bridge Competition:

Personal protective equipment is the responsibility of each team. During all construction activities, builders must wear hard hats and protective eyewear or safety goggles ([Section 10.1.6](#)). During all loading activities, competitors must wear hard hats, protective eyewear or safety goggles, work gloves, and steel toe or composite work boots that extend above the ankle. Steel or composite toe caps over leather work boots are acceptable. ([Section 11.2.1.3](#)). The hardhats must meet ANSI standard Z89.1, and the protective eyewear or safety goggles must meet ANSI standard Z87.1. Knack Boxes are mandatory for transporting your equipment and bridge materials. ***Teams will not be permitted to compete without a Knack Box.***

Surveying Competition:

Team members are responsible for providing their own required safety equipment including closed-toe shoes and safety-colored shirts or vests to participate in the field tasks. ([Section 6: Safety](#))

Timber-Strong Design Build Competition:

[Section 5.4.3 Safety Gear](#) – Each team is responsible for bringing their own tools, safety gear, and personal protective equipment (PPE) including but not limited to construction hard hats, safety glasses, gloves (tips of gloves may not be cut off), closed-toed shoes, long pants, and safety vests or high-visibility shirts. Long hair needs to be tied back at the construction site. Please see [Section 5.4.3 Safety Gear](#) for information on power tools and [Section 4.5](#) for addition safety information.

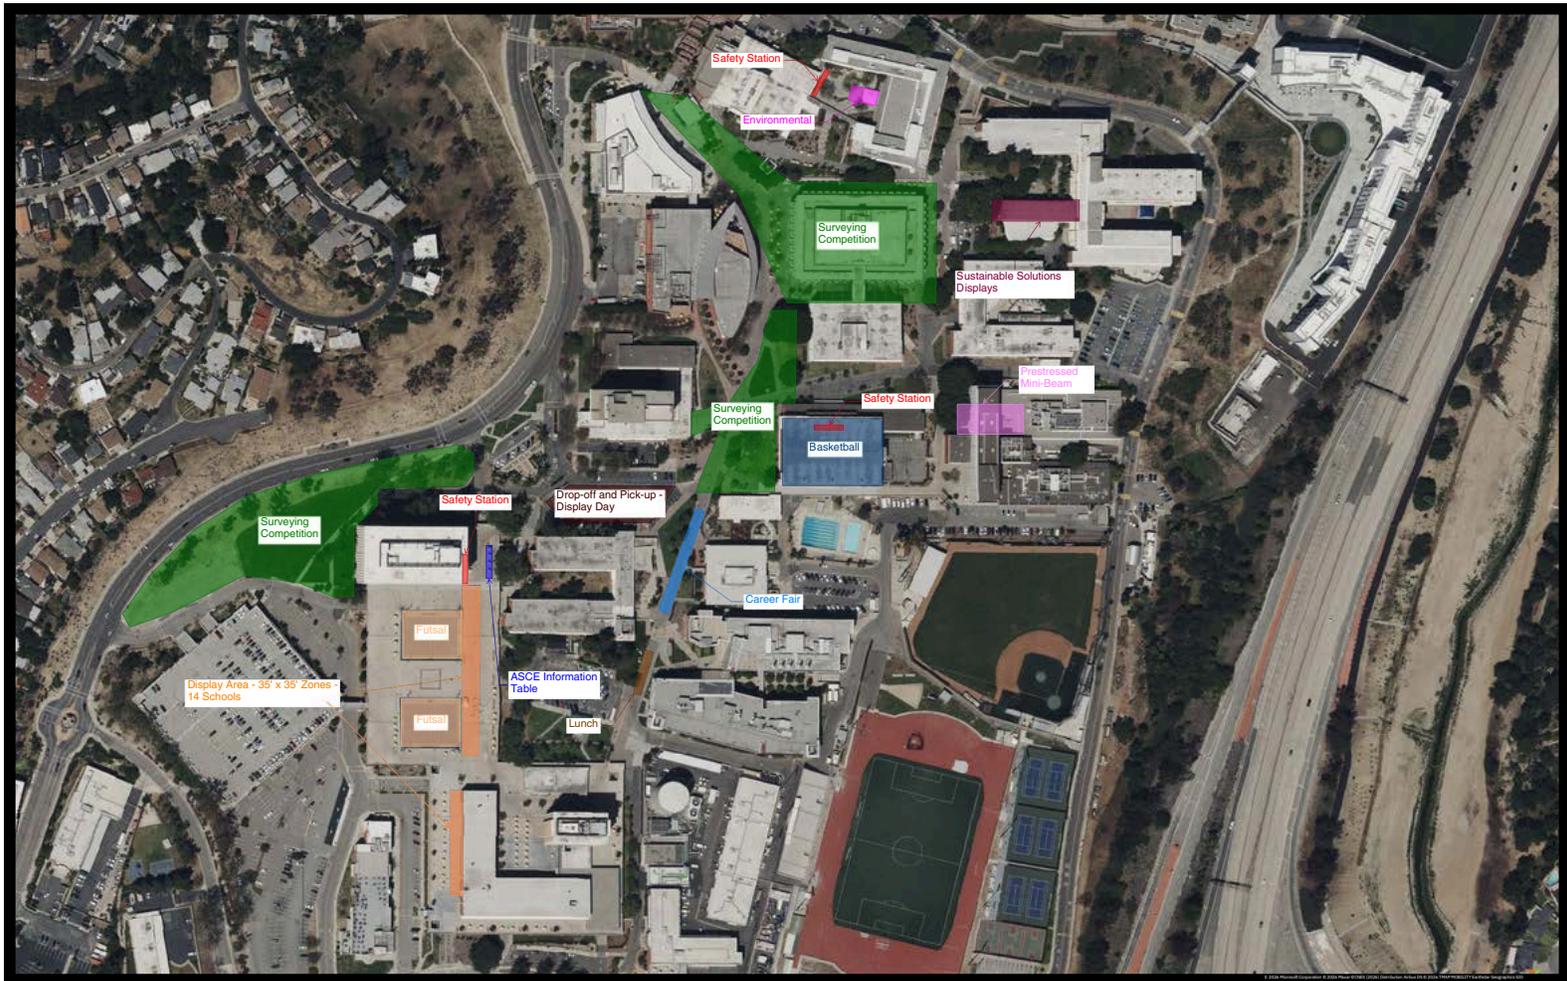

ASCE 3D Printing Competition:

Teams are responsible for providing their own eye protection, work gloves, and closed-toe shoes, which must be worn by all active participants handling the bridge and during loading and testing. [Section 5.4.3: Safety](#)

BUSINESS MEETING ([ELIGIBILITY REQUIREMENT](#))

The Business Meeting is scheduled to take place on Monday, March 30, 2026, at 1:30 pm.

Note that the business meeting is officially the business meeting for the Student Conference Board of Delegates. The Board of Delegates consists of two student delegates (preferably a senior or junior in an ASCE leadership position and a sophomore in or aspiring to an ASCE leadership position) and the faculty advisor from each student chapter. Each student delegate must be a member in good standing with their student chapter and the Society. Each student chapter in the Student Conference has one vote.

The draft business meeting agenda is [HERE](#). If you have additional agenda items and/or motions that your student chapter would like to be included in the agenda, please submit them to Alan Dominguez at adomin51@calstatela.edu by March 17.

At least one member of your ASCE student chapter must participate in the Business Meeting as part of the eligibility requirements to advance to finals for Concrete Canoe, Steel Bridge, Sustainable Solutions, and Surveying.

COMPETITION PRESENTATION & DISPLAY INFORMATION

All Competitions: Each student team that presents is required to bring their digital presentation on a USB and an easel for their poster display. The host will provide laptop and projector equipment.

ASCE Concrete Canoe Competition:

Teams are responsible for providing all necessary materials for the display portion of the competition. ([Section 7: Prototype Display Requirements](#)).

AISC ASCE Student Steel Bridge Competition:

Teams are responsible for providing all necessary materials for the aesthetic display portion of the competition. ([Section 6.2.1](#))

Surveying Competition:

Topographic Map Display: It is the responsibility of each team to bring one (1) 24-inch by 36-inch paper copy set of the topographic mapping project to the symposium and give to the student symposium host at check-in, which will be used for public display at the student symposium ([Section 7.3, Paper Copy Submittals](#)). The sheets of the paper copy must match the electronic submission.

(This copy is for the public display and does not replace the required online submission due on February 23, 2026, by 5:00 pm EST.)

- Teams are encouraged to bring a standard 6ft tablecloth displaying your school's name, logo, or chapter name for the Topo Map Display Session (not required).
- Teams should plan to stay with their topo map public display to discuss their project with spectators.

Field Task Equipment: Please refer to [Appendix D, Equipment List, in the rules](#) for a full list of required items for the competition. All items must be supplied by each individual team at the symposium competition.

Sustainable Solutions:

Poster Session: Teams will be responsible for providing their own easel for the poster presentation. You can find standard 63" poster board easels online. Easel [Example](#).

ASCE 3D Printing Competition:

Teams will be responsible for providing their own easel for the poster presentation. You can find standard 63" poster board easels online. Easel [Example](#).

ASCE Construction Institute Competition:

All teams should come prepared with a laptop. Laptops or computers will not be provided at the competition. [Section 8:3](#) of the rules state: Teams may bring reference materials, templates, laptops, and planning tools.

Timber-Strong Design Build Competition:

Teams will be responsible for providing their own easel for the visual aid at the build site, as outlined in Section 9.2 of the rules. You can find standard 63" poster board easels online. Easel [Example](#).
