ASCE CONCRETE CANOE COMPETITION

ASCE Society-wide Finals – Teams may be eligible to advance to Society-wide national competition for this competition.

Overview

Since the early 1970s, ASCE student chapters have been constructing and racing concrete canoes. During that time, canoe designs and mixes have varied, but the long-established tradition of teamwork, camaraderie, and spirited competition has been constant. Teams, their associates, judges, and all other participants are expected to maintain and build upon this tradition.

Objective

The ASCE Concrete Canoe Competition provides students a unique opportunity to gain hands-on practical experience while testing their skills with concrete mix designs and project management challenges.

Eligibility

Please review the national rules for the Concrete Canoe Competition specifications on team size and competition requirements. Deliverables should conform to the national rules.

Project Proposal, Mix Design Sheets, and Materials Notebook

For the Student Symposia Competitions, the following digital documents must be uploaded to their respective folders by 5:00 PM EST on Friday, February 13, 2025. Files should follow the format of “School Name – Canoe Name – Document – Year” (e.g., “University of Georgia – Mud Dawg – Project Proposal – 2025”)

- Project Proposal (PDF Version)
- Mix Design Sheets (Excel Version)
- Materials Notebook (PDF Version)

Judging

Judges will score competition entries according to the scoring rubrics in the national rules.

Important Dates

- Release of Student Symposium Competition Rules and Regulations on September 3, 2024.
- Research and Development Schedule, Letter of Intent, and Pre-Qualification Form Due by 5:00 PM EST on November 1, 2024.
- Project Proposals, Mix Design Sheets, and Materials Notebook Due by 5:00 PM EST on February 13, 2025 through ASCE's Cerberus ftp server.
- 2025 ASCE Southeast Student Symposium March 6-8, 2025 in Athens, Ga.
- Competition time and location will be released closer to event.
