# 2025 ASCE VIRGINIAS STUDENT SYMPOSIUM SPONSORSHIP PACKAGE

**Dear WVU TECH Friends, Industry Professionals, and Alumni,**

We are excited to present an exceptional opportunity to shape the future of civil engineering while supporting WVU TECH. On March 27~29, WVU TECH will proudly host the 2025 ASCE Virginias Student Symposium, and we invite you to partner with us as a sponsor for this impactful event.

The three-day symposium will unite over 250 of the brightest civil engineering students, faculty, and professionals from 11 top universities across Virginia and West Virginia.

The symposium will provide a unique platform for these students to showcase their knowledge, skills, and competitive spirit through a variety of exciting events

Additionally, the symposium will offer networking opportunities, professional development workshops, and keynote addresses from leaders in the civil engineering industry. This is more than just a competition—it's a launching pad for the next generation of engineering innovators.

***This is where we need your help.***

## **Sponsoring this event offers a valuable opportunity to:**

- Promote Your Brand: Gain visibility with over 250 students and professionals and position your company as a leader in civil engineering innovation.
- Build Meaningful Connections: Network with industry leaders, university representatives, and the future workforce.
- Give Back to WVU Tech: Your sponsorship helps WVU Tech continue its legacy of excellence in civil engineering education.
- Create Lasting Impact: Inspire, mentor, and connect with students, leaving a legacy that will benefit the entire civil engineering community.
- Recruit new employees: It's an excellent chance to recruit promising future employees on-site. We are offering a variety of sponsorship levels to accommodate your interests and budget.

## **Sponsorship benefits include:**

- Logo placement on event materials and website
- Recognition at the opening ceremony and awards banquet
- Booth space to showcase your organization and recruit employees
- Networking opportunities with students and attendees
- Company employee participation in fun outdoor activities

# 2025 ASCE VIRGINIAS STUDENT SYMPOSIUM OVERVIEW

## The 2025 ASCE Virginias Student Symposium Planning Committee

**ASCE Chapter President:**  
**Timothy Reynolds**

**ASCE Symposium Chair:**  
**James Peyatt**  
[jmp00022@mix.wvu.edu](mailto:jmp00022@mix.wvu.edu)

**Advisor:**  
**Professor Horng-Jyh Yang**  
[hoyang@mail.wvu.edu](mailto:hoyang@mail.wvu.edu)

Contact us with any questions!

The ASCE Student Chapter at West Virginia University Institute of Technology (WVU Tech) is honored to be the host campus of the 2025 ASCE Virginias Student Symposium (formerly known as the Virginias Conference).

The Virginias Symposium will take place from March 27 - March 29, 2025. All events will take place on the WVU Tech campus, and close by at venues in or around Beckley, WV.

Up to 11 universities with ASCE Student Chapters from West Virginia and Virginia will be eligible to compete in a variety of competitions that showcase their engineering abilities by combining their classroom knowledge with real-world scenarios.

**WVU Tech is excited to host this competition but can't do it without your help!**

Together, we can make the 2025 ASCE Virginias Student Symposium a memorable and career-defining moment for these future engineers. We'd love for you to join us in supporting this incredible event.

## Virginia Symposium Members:

- Bluefield State College
- Fairmont State University
- James Madison University
- Liberty University
- Marshall University
- Old Dominion University
- University of Virginia
- Virginia Military Institute
- Virginia Polytechnic Institute & State University
- West Virginia University
- West Virginia University Institute of Technology

# 2025 ASCE VIRGINIAS STUDENT SYMPOSIUM

## Competitions & Events

### AISC/ASCE Student Steel Bridge Competition

The Student Steel Bridge Competition challenges students to an intercollegiate competition that supplements their education with a comprehensive, student-driven project experience from conception and design through fabrication, erection, and testing.

### ASCE Concrete Canoe Competition

The ASCE Concrete Canoe Competition provides students a unique opportunity to gain hands-on practical experience while testing their skills with concrete mix designs and project management challenges.

### ASCE UESI Surveying Competition

The educational and professional goals of this competition include a recognition of the importance of basic surveying principles to all civil engineering projects. Students will be required to use standard field and office equipment and procedures to solve real-world problems encountered in industry.

### ASCE Sustainable Solutions Competition

For 2025, The City of ASCE has formed a public-private partnership (PPP) to acquire a parcel with a 5-story commercial office building for mixed-use redevelopment. The City has adopted the Institute for Sustainable Infrastructure's Envision framework to achieve its sustainability goals and will use it as a key assessment tool for this project

### ASCE Construction Institute Student Symposium Competition – Pilot

The Construction Institute Student Symposium Competition tasks participating students with several real-world construction engineering challenges to which teams will be asked to devise a solution and communicate it via presentation to a panel of judges. The entirety of this competition will take place at the symposia.

#### Additional Competitions Include:

- Geotech Competition
- Environmental Competition
- Mini-Golf Competition

#### Symposium Events Include:

- Dinner Banquet
- Career Fair / Sponsor Booths
- Social events
